

April 19, 1977

LB 486, 38

PRESIDENT: The bill is returned Senator Koch.

SENATOR KOCH: Mr. President, I ask for the adoption of the amendments that I have proposed.

PRESIDENT: Record your vote, oh excuse me, Senator Lamb.

SENATOR LAMB: Mr. President, members of the legislature, I think that these are extensive amendments and I would ask unanimous consent to lay it over a day so we can have time to see what the amendments are all about.

PRESIDENT: Is there an objection? There is. Do you want to make a motion? Senator Lamb, would you like to make a motion rather than request?

SENATOR LAMB: Yes sir.

PRESIDENT: Alright, there is a motion to lay this matter over for how long?

SENATOR LAMB: One day.

PRESIDENT: Senator Lewis.

SENATOR F. LEWIS: Mr. President, I don't really object that much. I want to explain once again the amendments and the amendments came to us the same place the bill did, the people involved in vocational education, I mean in private vocational education came forth and it was an attempt to put forth some kind of rules and restrictions. The amendments appear to be long Senator Lamb and I certainly don't object to it but what they simply say and I have no particular interest in the bill, they simply say that if the school is already accredited and approved by the United States office of Education then they would not have to meet the accreditation standards that we have because they have already been looked at and have received accreditation. With those remarks if Senator Lamb is still concerned about it I'm going to remove my objection.

SPEAKER LUEDTKE: If there are no objections the bill will be laid over on Select File. Senator Marsh still objects so we will need a motion, is there a motion? Alright a motion before any further discussion on the motion, the motion is to lay over LB486. All those in favor vote aye, those opposed vote nay. Have you all voted? This will require 25 votes. Record the vote.

CLERK: 26 ayes, 6 nays on the motion to lay over.

SPEAKER LUEDTKE: Motion is adopted and LB486 will lay over until tomorrow. The Chair will take this opportunity, I don't believe that they have been announced 50 members from the Comprehensive and Employment Agency from Omaha are up here in the south balcony. If they would...they are from the various districts in Omaha, if they would stand up and be recognized. John Fleming CEL a counsellor is up there. Welcome to your legislature. Ready for the criminal code then, LB38.

CLERK: Read Venditte amendment on LB38.
